

# ***Video Book review contest 2020/2021***

**SCAN ME**

To celebrate Book Day on April 23rd, The Bilingual section is holding a reading contest in which you have to record yourself reviewing a book you've read in English.

There will be 6 categories, one per level.

## **Requirements**

The basic idea is to share your opinion on the book to convince other students to read it or to avoid it, so record a 4-5 minute video analyzing the following elements of the book:

- Personal introduction
- Title of the book and why you chose it.
- Plot summary (less than a minute)
- Are there any relevant characters? If not, why not?
- Personal opinion.
- What you have learnt: cultural aspects, values...
- Choose three words or expressions and say why they are relevant for you.
- Why do you recommend it?

## **Evaluation criteria**

Your English skills: pronunciation (language), content (complete task).

Audio/Video and creativity quality will be considered too!

## **Prizes\***

The winner of each level will win a **30-euro voucher** to buy locally.

Your review will benefit your English mark depending on its quality.
